Families of the Week

Jonathan & Tara Dupuis

Ed Dzwonkowski

Throughout this week, pray that these individuals will sense God's presence and continued blessing in their lives, and his direction for their future.

Missionary of the Week

Michael & Lynette Hughes
Davenant House

As with all ministries that involve travel in the summer, Davenant House has had to cancel many of its summer programs. Thank God that the late summer programs can continue as normal, and pray that they can benefit from the extra time Michael has to prepare.

Pray also for the family's health. Michael and Lynette both had bad respiratory illness (thankfully not coronavirus) in March that they have recovered from, and Michael has recently suffered an accident involving a tree branch to the face. Thank God for the healing he has already done, and that there be no complications in the healing process.

Pray for unity in our church and country during this crisis. Ask God that he would give us all the wisdom to love each other, even those with differing opinions and needs.

Pray for students as summer begins. Ask that God would keep them safe and connected with less outside opportunities available, and that their trust in him would grow through this temporary uncertainty.

Pray for revival through our nation. Ask that God would work this together for good, and use it to spread a saving knowledge of him throughout the world.
