ANNOUNCEMENTS

IGNITE could use your help with tear down and set up. We still need to take down the chairs after Sunday morning (tables and chairs in the back half of the worship center after the Tuesday morning Bible study), and then set the tables and chairs up for Sunday worship. If you have a strong back, please sign up on the sheets on the back bulletin board.

SAMARITAN'S PURSE OPERATION CHRISTMAS CHILD IS IN FULL

SWING! Make sure you remember to go shopping for your Operation Christmas Child shoebox. Toys, school supplies, and toothbrushes are all a good idea. Grab a label from the back table, and bring it back to church before November 15th so it can get sent off. If you need a shoebox to pack in, talk to the office so we know to order more.

Good News is starting their first **ZOOM-ONLY LIFE GROUP**. The group will probably meet weekly, but days and times will be determined by the participants. If you are a bit afraid of the computer, don't worry! Technological assistance will be provided. If you are interested, please contact Bob Pope at drobertpope@msn.com or call (715) 573-3914.

Lights, Camera, Action! Here's your chance to become a film director! (Or, at least, help with the livestream at church). Training is provided, so the only requirement is a willingness to show up on Sunday mornings. Please talk to Pastor Marcus if you want to develop your talents in film making. Training is provided.

Since Districts is cancelled this year, **WINTER MELODIES** is going to be postponed. As the winter progresses, the Youth Ministry will determine what options are open as far as a winter retreat, and any fundraising possibilities. We'll keep you posted!

GOOD NEWS

Families of the Week

Jill Miller

John and Laura Moss

Throughout this week, pray that these individuals will sense God's presence and continued blessing in their lives, and his direction for their future.

Missionary of the Week

Rich & Rachel Hendrikson

United World Mission

Pray for the Hendriksons as they finish a year of particular upheaval and change. The Hendriksons were already planning to leave France and begin serving in a church in England at the beginning of the year. Pray that this process would not be hindered by travel restrictions and that they may begin growing a new youth program soon.

Pray for their son, Levi, as he deals with health issues beginning last year. Pray that the American health system would be open enough to him that he can recover before the family leaves.

Pray for our country's veterans. Thank God for the bravery of these men and women who are willing to serve this country with their time, their bodies, and their lives. Ask God to provide healing for those who need it, and to make his presence known in the lives of all of these warriors.

Pray for the members of our church. Pray for an understanding of Jesus' character, that we may accurately represent Him to those we are trying to disciple. And pray for the courage to share the gospel despite the opinions of others and the sacrifices God will require.

We have various health needs in our congregation; please pray that God will provide the necessary diagnosis and care for each individual's situation.
